

Submitter: James Welsh
On Behalf Of: Just say NO on HB 3076.
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3076

I strongly oppose HB 3076 and any future 'Gut and Stuff' versions of this bill. For the megalomaniacal Democratic supermajority to single out businesses because they happen to be in the 2nd amendment business with state sanctioned onerous and impossible to comply with provisions, on top of all the ATF rules and regulations they already have to comply with, just to put them out of business, or drive them out of state, is completely and absolutely wrong, not to mention wholly unjustifiable. The megalomaniacal Democratic supermajority will not be satisfied until they turn Oregon into the way Soviet Russia was under Lenin and Stalin. A state where the rights and personal freedoms of the citizens will no longer exist. Or worse, that the megalomaniacal Democratic supermajority turns Oregon into their version of North Korea.

HB 3076 needs to be filed in the circular file, never to be seen or heard from again.

Thank you,
Jim Welsh
