Measure, Appointment or Topic: HB3166

Greetings,

Ranked choice voting support was clearly financially backed by very deep pockets for I saw numerous ads every day for weeks leading up to the November election.

Seeing this proposed legislation after makes me suspicious of the motives behind it since we already know that the voters were not interested in changing the voting process (as per the November 2024 election has already indicated).

Please let HB3166 die.

Regards,
