On Behalf Of: Oregon Woman for Gun Rights
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3076

I'm writing in opposition of HB3076 It will not reduce gun crime or violence if this bill passes you're not only opening the black market for gun trading you're encouraging it. This bill does not impact criminals & their access to legal/illegal firearms. The only people who will suffer are the small business owners, and FFL community who make this a means to support their families. We cannot continue to punish Law abiding Oregonians who use firearms for self defense, recreation and hunting based off the poor decisions by criminals and the mentally unstable. There should be higher penalties for gun thefts and gun related crimes, this should not fall on our FFL community.

Be better, Do better, Don't pass HB3076
