I strongly oppose HB 3166. I voted against Ranked-Choice Voting when it was on the ballot. So did the majority of voters. Stop trying to force something on us that we don't want. This system lets weak candidates stay in the race when they've actually lost. It costs more money to use the system. It would mean revamping tallying equipment. The worst part of RCV is that only Salem would do the final count. This manipulation is egregiously unethical. Give it up!

States that already voted for it have repealed it. Every Vote should count. But only once. Vote NO on HB 3166.
