

Submitter: John Duggan

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or Topic: SB1153

Oregon's water rights are some of the most convoluted and complex in the nation. While Oregon has a rich resource of abundant water, we don't always do a good job of caring for it. The environment surrounding our water sources are key to keeping the abundant resource healthy. From the very first drop (e.g., headwaters), it is incumbent upon each of us to consider any and all impacts to our water.
