Committee:	House Committee On Rules
Measure, Appointment or Topic:	HB3166

HB 3166 Is not a fair way for voters to choose the best candidate for a position. RCV has proven to be very confusing to many voters and does not guarantee that the most qualified or even the most popular person will be elected, in fact, the opposite has been true in some cases where this has been adopted. This can actually leave room for the worst candidate to win the race. Very easy to cheat. Vote no.
