RE: **OPPOSE** HB 3166, HB3166-2

Chair Bowman, Vice-Chairs Drazen and Pham, and Honorable Members of the House Committee on Rules,

My name is Alisha Overstreet, and I am submitting testimony in strong OPPOSITION to HB-3166 and HB-3166-2.

The People of Oregon already decided this. As a reminder, Measure 117 was defeated with 57% of voters OPPOSING this measure.

This is a usurpation of authority. Period.

Oregon Measure 117, the **Ranked-Choice Voting for Federal and State Elections Measure**, was on the ballot in Oregon as a [legislatively referred state statute](#) on [November 5, 2024](#). The ballot measure was **defeated**.

- A **"yes"** vote supported implementing ranked-choice voting primary and general elections for federal and state executive offices beginning in 2028.
- A **"no"** vote opposed implementing ranked-choice voting primary and general elections for federal and state executive offices, thereby maintaining the candidate with the highest number of votes wins.
