

Submitter: Patricia Bain

On Behalf Of:

Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB1168

I have been doing Home Health Physical Therapist Assistant work for about 23 years and at this time pay per visit is NOT worth the time driving, mileage and then not being able to spend quality time with patients it would be quantity and I am proud to be a quality driven therapist and with pay per visit again long days, no breaks and car driven lunches . I vote in favor of this bill
