

Submitter: James Shannon

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB429

I am writing as a husband, father, and responsible gun owner to express my strong opposition to Senate Bill 429. This bill places unnecessary restrictions on law-abiding citizens while doing nothing to prevent criminals from committing violent acts. Instead of addressing the real sources of crime, SB 429 unfairly burdens those of us who take firearm ownership and safety seriously.
