Re.: HB 3595 Lunar New Year State Holiday

Dear Honorable Chair Bowman, Vice-Chair Drazan, Vice-Chair Pham, and members of the House Rules Committee.

On behalf of Portland Yee Fung Toy Family Association, its leaders and entire membership, we are thankful for your kind consideration for supporting HB 3595 Lunar New Year State Holiday.

Yee Fung Toy Family Association founded in 1886 in San Francisco, California. It is one of the oldest family associations in the World. Its head quarter is in San Francisco, California. Apart from the Head Quarters, other branches have been established around the World.

We are fully behind this HB 3595 Lunar New Year State Holiday and would be lending volunteer support to help source authentic craftspeople and materials to see to it that will become reality soon.

Once again, thank you for your kind support. Please contact me should you need any additional information.

Respectfully Submitted,

Kitson Yu

President
