HB3166

I am writing to oppose HB 3166. This bill is a disgusting attempt to ignore and override the will of the Oregon electorate. Oregonians overwhelmingly rejected BM 117 which would have instituted Ranked Choice Voting just a few months ago. How can the Legislature disregard this clear and very recent message from Oregon voters? The arrogance is astounding. Additionally, in case you have forgotten both the Oregon Republican Party and the Oregon Democratic Party have rejected open primaries.

You need to remember that you represent your constituents. Constituents should not have to beg their legislators to abide by the voters' will. I urge you to remember whom you work for and then vote no on HB 3166.
