

Submitter: Bonnie Larson

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I support HB 307 to ensure that all gun dealers in Oregon are properly licensed and held to consistent safety and accountability standards. This bill is a common-sense measure to help prevent illegal gun sales and keep firearms out of the wrong hands. Strengthening oversight of gun dealers is a critical step toward reducing gun violence and protecting our communities.
