HB3166

The voters already voted NO. We are not interested in changing the way we vote until it is so convoluted people can't understand what is going on. People have been trained to vote for 1 person and they will continue to do so which may actually erase their vote . This scheme gives my vote to someone I did not vote for. Yes, gives my vote to someone I did not vote for, This should be illegal. Stop trying to manipulate the system.
