

Submitter: Donovan Haak

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I strongly oppose this bill. This bill does not appear to be well thought out. It will cost small businesses in Oregon a ton of money with absolutely no guarantee of preventing a crime. Stealing a firearm is already illegal, maybe we should take this time, effort, and money and help our law enforcement uphold the laws we already have.
