

Submitter: Mary Lou Emerson

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or Topic: SB1153

Please support bill SB1153 which directs the Water Resources Department to consider whether certain water right transfers will result in a loss of in-stream habitat for threatened or endangered aquatic species. This bill would protect fish habitat and water quality that all species depend on for healthy living.

Sincerely,

Mary Lou Emerson
