

Submitter: Janine DeLaunay

On Behalf Of:

Committee: Joint Committee On Ways and Means

Measure, Appointment or Topic: HB5006

I am a 73 year old blind Portland resident. I have never had to go to bed hungry. I believe food should be a basic right. Children cannot learn when they're hungry.. Seniors should not have to choose between paying for heat or having enough to eat. I support Food For All Oregonians
