

Submitter: Carol Dodson

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I totally oppose this. It is restricting all my gun rights. I am 78 years old. How many of my years has the government been trying to take our weapons. And why? To control us. They are looking for control. Most of us are not criminals but with this measure we will be. One more way to restrict our rights as a citizen. Oregon is going to far
