On Behalf Of:	SJR 28
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SJR28

Please support SJR 28 to enshrine protections of Oregon's valued natural resources in our state constitution. It is past time to update our constitution to provide a framework and support for Oregon's reputation as an environmentally friendly state. A green amendment to our Constitution will help spur state and agency protections for our treasured environment in face of the growing threats of climate change.
