

Submitter: Clinton Bailey  
On Behalf Of: Myself  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB3076

These new laws will absolutely NOT reduce the black market from supplying the outlaws from being totally supplied with ILLEGAL, UNREGISTERED firearms. It will only force the law abiding gun owners to become unjustifiable criminals. Please don't restrict the honest citizens from their 2nd. Amendment rights, so only the criminals will possess firearms.

Thank you.
