

Submitter: Paula Johnson

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I oppose 3076. A serious lack of thought and study have been put into the increased stress and cost that our FFL personnel. Taking away our right to own and carry is wrong. If you do not like guns, do not own or carry one. Criminals will not follow the rules you are setting. Stop taking away from law abiding citizens.
