Measure, Appointment or Topic: SB611

I heartily oppose SB 611. SNAP program presently has no guideline for the nutrition value of purchased foods. This lends individuals to purchase low nutritional and unhealthy food for themselves and family members. SB 611 would allow illegal aliens, that are in the USA or Oregon, to receive benefits that only encourage more violation of Federal law of illegal enter. Oregon legislators seem to favor non-citizens over USA veterans. As a disabled veteran of the USN, I find this tax payer expenditure under SB 611 improper use and lacks support of our own Oregon citizens. Again, I heartily oppose SB 611.
