Measure, Appointment or Topic: HB3076

I am opposed to this . I'm tired of losing rights without the say of the people . You were elected to do what we want not what you want or think what's best for us. If you truly believe in your causes and think so do we the people then put this crap on a ballot and let us vote in person on wither or not we Agee . Again strongly opposed please reconsider your vote based on the people you have heard from
