Measure, Appointment or Topic: HB3039

Todos Juntos is a Clackams County rural serving non-profit that has been providing in-school, after-school and Summer program to over 1200 youth annually since 2000. Youth are the future of America and we, collectively need to make sure that all children are provided the potential to contribute to society. We support that the Department of Education to study methods for increasing the availability of summer and after-school academic and enrichment programs.
