

Submitter:

Bill Vivian

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1006

I heartily SUPPORT SB 1006. This bill reinforces the desires and wisdom of the USA founding father's to see proper separation of government powers. To have un-elected individuals lobbying and/or pressing for Governor support of a bill under legislator control is not separation of powers. I believe SB 1006 corrects the imbalance of government powers. Again I heartily SUPPORT SB 1006.
