

Submitter: David Macauley

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I strongly oppose this bill as it violates the Second Amendment because it simply does, infringe on law abiding citizen's God given rights. Criminals do not obey firearm laws, and this will infringe on law abiding firearm owners, and those who would seek to legally purchase and or sell firearms. Please consider the truth of these statements, and remember the constitution you swore to uphold!
