

Submitter: Steve Schwend

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I oppose this bill due to it being unconstitutional. It should have never made it to this point. Infringing on the Second Amendment is unconstitutional. Not many places in the Constitution or Bill of rights do they use the words SHALL, reserving that term for the utmost of consideration. Making it harder to do business for FFL Dealers who already have had to jump through many hoops and pay large sums of money is indirectly infringing on MY Second Amendment.
