

Submitter: Tom Long

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB698

I oppose this bill because it infringes on the rights of lawful gun owners. People CHL statistically commit substantially less crimes with a firearm than those without a CHL, and all this bill does is further restrict people who are already not likely to commit a crime. This is yet another attempt of anti-gun extremist ideologues to chip away at the ability of lawful gun owners to protect ourselves.
