

Submitter: Michael West

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

To whom it may concern.

I oppose HB 3076. I realize that you people were probably never read this. But I would like to go on record saying these gun laws are just flat ridiculous. And I know you have a super majority. There's another election coming up though. That's pretty much it. Have a nice day.
