

Submitter: Mathew Bauman

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

This measure will have a huge negative impact on multiple small businesses they will have to shut down because of the fees imposed on them. On the other hand how much more money is this even going to cost to implement. People will resort to buying firearms in the black market our licensed gun dealers are the first line of defense against domestic abuse or suicide and drug addicts and criminals from purchasing firearms.
