On Behalf Of: The people of the state of Oregon
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3076

My name is James Pope, I have lived in Oregon my entire life as has most of my family. I have been the victim of violent crimes and I know that a gun would have saved myself and family massive head injuries and trauma. My home was broken in to by five assailants and the protection I now have will be banned by this bill. I feel it does not represent what many feel is a right that should not be infringed upon. If this bill is passed it will severely limit the use of practical and efficient means of self defense for many people. I hope you find it in the best interest of the people to not infringe on the right for self defense.

Regards,
James Pope
