Measure, Appointment or Topic: HB3076

I would like to express my opposition of this measure. I find it completely unnecessary and unfair. As a law abiding citizen that has owned firearms my entire life, I have never had an arrest or infraction of any kind. Yet we are somehow being treated as criminals while people who are constantly breaking laws are unpunished and walking free. I realize my voice is small in this issue but I urge you to stop and realize the consequences of this unjust, unconstitutional law.
