

Submitter:

Charles Mayes

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB698

I totally understand what you are trying for but maybe you need to possibly think of why you need this. Creating gun free zones has done absolutely nothing for the safety of people inside of the facility and fostered an easy target for mentally compromised individuals in need of attention. Please stop taking away freedoms from everyone except those looking to cause harm to themselves and others who have no concept or care for any law or rule.
