

Submitter: Theresa Lynch

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB1131

To whom it may concern:

I have taken animals to Chintimini and I am aware of all the work they do. I follow them on Facebook because their stories are mostly of good news and do my heart good. The center would benefit from all resources that may be granted to them. Thank you for reading!!
