

Submitter: David Johnson  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB3076

I strongly opposes HB3076 aka ballot 114.

We don't need more laws we need enforcement of current laws and we need to hold criminals accountable.

HB3076 is going to cost taxpayers more money and do little for getting guns off the streets and away from criminals.

Thank you  
David Johnson
