

Submitter: Susan Sheythe

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB1131

Chintimini is the only wildlife rescue and rehabilitation site in this part of the Willamette Valley. It's important to those who care about our wildlife and it's important to be able to open the facility to the public as a learning tool for people to learn to care about nature, nature's multi habitats and diverse fauna. Chintimini is good for people's souls.
