Senate Bill 1131

Support for Chintimini Wildlife Center.

I volunteered at Chintimini Wildlife center for a year in the early 2000's and I was amazed at the center and all that they do! I am a rural homeowner with property on the Calapooia river and understand how hard it is for wildlife when adjacent to communities and was excited to find out that they not only were doing wildlife rehab, but also education! This is such a gift to our community and the wildlife living in our midst. I hope you will seriously consider this bill. Please consider visiting the center it is truly an amazing organization!
