Please stop picking on law abiding citizens. Enough of these unconstitutional attacks on the 2nd amendment. I teach youth gun safety at camps. These kids now know how to safely handle a firearm and what the consequences can be if handled incorrectly. They love target shooting and some love to hunt. We and they are all safer if they learn proper handling of firearms. The truth is criminals will always have weapons and do not care about laws. The only people you are inhibiting are law abiding citizens. Stop taking away our freedoms. I spent a good portion of my life in the military defending our great nation. You also took an oath to defend the constitution. What you are doing is slowly destroying it. It makes me sad. Maj. LaVay W. Jeffries USAF retired.
