

Submitter: Erick Neely

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

Why does Oregon keep on wanting to punish law abiding gun owners, many that served and fought for this Country? Punish those are committing crimes and continue to commit crimes. I grew up in Oregon, I also served my Country in time of war as an Iraq and Afghanistan Veteran. I feel that Oregon is no longer a place that I want to live in.
