Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or Topic: SB1131

I strongly support SB 1131, which grants funding to the Chintimini Wildlife Center. I have supported Chintimini for years and have watched them work miracles on a shoestring budget. As the bill states, Chintimini is the only remaining wildlife center in the valley and they work hard to support communities across the region. Oregon is known as a state that honors and protects its wildlife and natural areas. Chintimini plays a vital role in upholding this Oregon tradition. Please consider voting yes on this very important bill. Oregon's wildlife deserve it!

Thank you!
