Dear Senate Committee on Natural Resources ad Wildfire:

I respectfully request that you SUPPORT SB 1131. The bill's purpose is to direct the Oregon Department of Administrative Services to award a grant to the Chintimini Wildlife Center. This grant will be used to improve wildlife facilities and the building of wildlife enclosures. In addition, the creation of accessible paths that comply with the Americans with Disabilities Act, and developing infrastructure to support education, outreach, and visitor opportunities.

I implore you to benefit the native wildlife, as well as the people of Oregon, and SUPPORT SB 1131. Truly benefit Chintimini Wildlife Center caring for thousands injured and orphaned native animals and returning them to their natural habitats. Direct the Oregon Department of Administrative Services to award a grant to the Chintimini Wildlife Center.

I respectfully request that you SUPPORT SB 1131.

With gratitude,  
Larry Sipe
