Measure, Appointment or SB1131
Topic:

Dear Oregon Department of Administrative Services, I am resident of Corvallis in support of SB 1131 to award a grant to Chintimini Wildlife Center. I have used Chintimini Wildlife Services for sick and injured wildlife found in my neighborhood over the years. The staff has always shown empathy and professionalism when helping wildlife and working with the public. Chintimini has always been in need of financial support due to the rise every year in injured, sick and orphaned wildlife. My husband and I donate to Chintimini every year because we feel the Center fills the need of veterinarian care for wildlife that will be not met otherwise but face a rising number of needs for their wildlife services. Chintimini also does community education on living with wildlife. Clearly, Chintimini Wildlife Center is in need of the grant by Oregon Department of Administrative Services and will use the funding wisely. I support SB 1131. Thank you for taking my comment.
