Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB698

This bill will do nothing but disarm the law abiding citizens from carrying a concealed weapon. It will hinder a person from the ability to shop and do business without having to try to be aware of where it's legal to carry a weapon and where it's not. Remember the purpose a CHL is so you can carry wherever you go without anybody knowing that you are armed. I oppose SB 698!
