

Submitter:	Nicholas Kehoe
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1131

As someone who has brought wildlife to Chintimini before, I can say with confidence that they are worth your support. Funding for a nature center would increase public engagement and bring a steady stream of income to Chintimini. They have served the community for years, and I hope you will help support their mission with funding.
