

Submitter: Elliot Barnhart

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I oppose this bill. As a resident of Portland I have watched crime dramatically rise. My home was burglarized and my family has felt unsafe ever since. Bills like this will make it more expensive for people to obtain firearms for their protection. Citizens and business should suffer for the illusion of safety. This bill will only contribute to the success of criminals. Do not pass this bill.

Elliot
