On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB1131

Senate Bill 1131 would provide essential funding for Chintimini Wildlife Center to have a Nature Center that is open to the public.

Chintimini is essential to the health and wellness of the ecology in the Willamette valley. In one year, thousands of animals are brought to chintimini and helped. It is a public treasure that brings civilian rescuers together. It is important to the health and continuance of wildlife in Oregon.
