

Submitter:

Kerry Prulhiere

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB698

Why would anyone in their right mind think that limiting the law abiding person from being able to carry a firearm would benefit anyone? How many mass shooting have been stopped in its early stages by a concealed carry citizen? This bill will only hurt the people of Oregon and let all the other criminals know where it's safest to conduct their crimes.
