

Submitter: Lucile W Brook
On Behalf Of: HB3076
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3076

This bill will make Oregonians safer. It seems like a no-brainer to me.

Why do opponents not want to submit to a background check? If someone has a record of violence or instability, they surely should not own an automatic weapon!

Please bring this to a conclusion and vote FOR this bill.

Thank you.
