

Submitter: Chris Cobey
On Behalf Of: Self
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3076

Guns are a scourge, both in Oregon and nationwide. Expediting suicides is a fact of life which all should be opposed to.

Establishing a licensing program for gun dealers is a common-sense precaution to ensure that the laws Oregon has passed to control guns and their sale, in fact, being followed, and to provide data on compliance for enforcement. Please pass this bill.
