

Submitter:	Carla Cudmore
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1131

I support Chintimini Wildlife Center's efforts to create a Nature Center open to the public. The more people come into safe, direct contact with the natural world, the more they are willing to learn and understand its complexities. Chintimini has been an excellent caretaker of not only the animals that have come into their care, but of the funds they have been given and volunteers that have passed thru their doors. I fully support their hopes of a new public Nature Center.
