Measure, Appointment or Topic:

HB3076

Please do not pass this bill it is a blank check with no accountability for how money is spent . This is an attempt to attack law abiding citizens like me. I always abide by the law. This will make law abiding citizens criminals. How is that going after bad people. It will run small business out of oregon. This law will not stop criminals. There for it should not be implemented. Thank you for you consideration.
